

STEP FOUR

Protect yourself.

Your space is ready. Soon our worlds will merge and I will see you in person. We will eat cake and share secrets. We are so close.

But the closer we get, the more we must take care. You now need to protect yourself. Interdimensional travel is not without risk. While your safety is my foremost concern, I will not lie to you, this could be dangerous.

Your fax machine was wrapped in a highly conductive and protective material. Wear this as a cloak.
